## Chateau bedroom planner

The chateau is the perfect venue for friends and family to get together for all types of events and celebrations. We have a range of bedroom sizes and configurations available. This document is to help you plan the room allocations for your stay.

### Bedroom descriptions:

The chateau has the following bedrooms:

#### • 5 x large double bedrooms

3 are grouped together on the first floor:

- The Nutmeg bedroom (can have an extra single bed on request)
- The Black and white bedroom (can have an extra single bed on request)
- The Green bedroom

2 are downstairs:

- The Blue bedroom (has a separate bateau lit single, suitable for a small child)
- The Red (can be a twin or double or a triple)

Bathrooms: all the above have en-suite bathrooms with walk-in showers.

#### • 1 x large Family bedroom

Located on the first floor. It has a double and two singles but the double can also be made up as two more singles.

Bathroom: There is a large en-suite bathroom with a bath (the only one in the main chateau) and large walk-in shower.

#### • 1 x very large Studio bedroom

Situated on the first floor, next to the Family room. It has a double and 4 singles but it can be made up to fit in more singles if required.

Bathroom: The Studio has a turret bathroom with large walk-in double shower and double sinks

#### • 2 x wing double bedrooms

These two bedrooms (The Hummingbird and Magnolia bedrooms) are slightly separate from the main chateau, situated above the kitchen and office in the wing. They are a little smaller than the main chateau rooms but very cosy.

Bathrooms: One has a shower and sink in the room and a toilet in the hall outside, the second has an en-suite bathroom with a bath and a shower.
